

PCMS Drama Club Arts Festival Fund Raiser

Purpose: The Peachtree Charter Middle School Drama Club is a self-funded, non profit 501(c) (3) organization that relies solely on fund raisers and contributions to provide arts education for PCMS drama students and produce an annual Junior Broadway production.

Under the direction of our new Artistic Director, Mr. Douglas Berlon, approximately 100 students and their parents benefit from participating in our theatre arts education program, participate in a theatre festival and be part of a full-scale production. Our goal is to build confidence, inspire a life-long appreciation for theater and creativity, develop cross-grade friendships and mentoring, encourage pride in self, school and community, and to have fun! Drama exposes children to more than just acting. Students also receive hands-on experience in costume design, choreography, music, stage management, design, technology, and building communication skills. Participants include not only accomplished PCMS thespians, but also anyone that wants to learn about theatre including our special needs students. We are an inclusive club.

Our fund raising goal for the Festival is \$8,000. This money will go towards both the fall teaching, a student showcase and production costs, attendance to the MTU Broadway Jr Festival, equipment maintenance and the 8th grade Drama trip.

We need your help! At what level can you participate?

Benefactor - \$1,000

Your sponsorship entitles you to signage at the Fall Festival, full page ad in playbill, two opportunities to perform at the Fall Festival and 4 VIP tickets to the spring production, *Once on this Island, Jr.*
